Money Partners Group is mainly involved in the Financial Instruments business (foreign exchange margin trading). It is difficult to predict the Group's earnings as they are severely affected by exchange rates, market conditions, Japan and overseas economic environments and other factors. Therefore, the Group does not prepare earnings forecasts. The Group discloses operating index as a monthly review including operating revenues, foreign exchange trading volumes and customer accounts which have large impact on business performances as an alternative to the earnings forecast. The Group will make a supplementary statement with regard to the trend in selling, general and administrative expenses which has a significant impact on the operating results in the supplementary information on financial results (only available in Japanese) scheduled to be announced on August 5, 2021.
